Yacht race round Fastnet, not for the feint hearted (again see [www.charitychallenge.com](http://www.charitychallenge.com))

# WORLD IN NEED DAY

## 10 JUNE 2007

### SUGGESTED PLAN FOR A COFFEE MORNING

10:00 am ARRIVE; have coffee, tea and biscuits available. £3.00 suggested donation

10:10 am Welcome to all, introductions (if necessary) Thank people for coming and outline the morning's activities. Explain simply who and what World In Need is.

10:20 am Explain that this is a 4 month long campaign to help people understand some of the causes of poverty, how they can make a difference and tell of the projects available for support.

Ask for their commitment to the six months action against poverty by

1. Signing the declaration
2. Organising a similar morning with their own neighbours
3. Give examples of what can be done (see A-Z activity sheet)
4. Explain the Fair Trade table you have available.

10:30 a.m. Talk about the subject for that month e.g. Water, Child sponsorships, conflict, HIV/AIDS or Fair Trade- job creation; Hand out notes and photos.

10:45 a.m. Go on to explain the project linked to the subject, how much we hope to raise by direct giving, holding an event like a **BREADWINNER** lunch and charging £5 per person.

11:00 a.m. Ask for questions and hand out the attendance sheet and forward to WIN local office

11:15 am close and mingle.

*A similar format can be used for an evening meeting. A **BREADWINNER** lunch needs to take into account a longer time for eating a soup and roll lunch, or whatever meal you plan.*
